INSTRUCTIONS TO BIDDERS
Board of Public Works and Safety
City of Fort Wayne, Indiana

May 14 19 86
Non-Federally Funded Construction

1. Submission of Bids. Sealed bids will be received by the Board of Public Works and Safety of the City of Fort Wayne, in the State of Indiana, hereinafter "The Board" until 9:00 o'clock EST on the 14th day of MAY, 19 86, at the Office of The Board in the City-County Building, at which time the bids will be publicly opened and read, for the following described work, as more fully set forth in the specifications:

MCKINNIE-SENATE WATER MAIN

WATER IMPROVEMENT RESOLUTION NO. 1033-86

For the furnishing of all materials, labor, equipment, tools, power, transportation, miscellaneous equipment, etc., necessary to install 1,300± L.F. of 12" and 700± L.F. of 6" water main on McKinnie Avenue, from Wayne Trace to Bueter Road; also, on Senate Avenue from Wayne Trace to Holly Avenue.

2. Inclusion of Clauses - If a clause in the Invitation for Bids (IFB) has a box ☐ beside it, the clause applies to the IFB only if it contains a check mark (✓) or an "X". Any questions as to whether a clause is included or not should be referred to The Board.

3. Questions as to Bid Document. If a bidder finds discrepancies in, or omissions from, the bid document or has questions about the project, he should at once contact the City Engineers. If the information requested or change made is substantive, The Board will issue an amendment to the solicitation and will send such amendment to all potential bidders who have procured an Invitation for Bid (IFB). The Board and the City will not be responsible for any oral instructions.

4. Award of Contract (Timeliness, Responsiveness, Responsibility). A contract resulting from the Invitation for Bids will be awarded to the lowest and best timely bidder who is also responsive and responsible. If bids are otherwise equal, award will be made to that bidder granting the largest prompt payment discount.

5. Bid Requirements. All bids shall be endorsed with the title of the work, the name of the bidder, and the date of mailing or presentation. All bids shall be filed in the office of The Board on or before the day and hour set forth above and stated in the advertisement, and no bid received after that time will be accepted. The Board will not accept any late filing regardless of reason, including delays in the mail.

All bids shall include the exact quantities of each item shown on the bidding form for each section of the work, and unless the IFB otherwise states, the total cost of the various sections shall be considered a lump sum bid.

6. Examination of Bids For Responsiveness. After the bids are opened and read, The Board will examine them to determine if they are responsive. In order to be responsive, the bidder must complete all blanks requiring completion, and must submit all information required to be submitted. Any alteration, erasure, or interlineation of the contract or the IFB may cause the bid to be determined non-responsive. Proposals which are unbalanced may also be determined non-responsive.

However, The Board reserves the right to accept any bid, to reject any and all bids, and to waive defects or irregularities on any bid.

7. Determination of Responsibility. Prior to awarding any contract pursuant to this Invitation for Bids, The Board will make a determination of responsibility. An award of a contract to a bidder shall constitute an affirmative determination of responsibility.

In reaching a determination of responsibility, The Board can consider among other factors:

(a) The Contractor's record of integrity.

(b) The Contractor's experience and past performance record in construction work.

(c) The Contractor's financial status.

(d) The Contractor's capability to perform the project.

(e) Whether the bidder is in arrears upon or in default of any debt, contract or other obligation to the City of Fort Wayne.

(f) Whether the bidder is debarred from Federal or City of Fort Wayne contracts.

(g) The bidders record in MBE/WBE compliance.

(h) Whether the bidder is engaged in litigation with the City of Fort Wayne.

In arriving at a determination of responsibility, The Board may institute a pre-award survey on any or all bidders. That pre-award survey may examine any of the considerations relating to a bidder's responsibility as set forth above. Bidders will cooperate with the pre-award survey team. Failure to cooperate can result in a finding of non-responsibility.

☐ 8. Prequalification - In addition to being timely, responsive, and responsible, a bidder must also be prequalified by the State Department of Highways or by _____ in order to be awarded a Contract.

9. Bid Bond or Deposit. Each bid must be accompanied by a bond executed by the bidder and surety satisfactory to The Board, in a sum of ten percent (10%) of the aggregate amount of the bid, but in no case less than $100.00; or the bidder may deposit with The Board in lieu of such bond, a certified check on a solvent bank in a sum of _____ percent (__%) of the aggregate bid or proposal, but in no case less than $100.00, which certified check shall be payable to the City of Fort Wayne. The bid bond or certified check shall serve as a guarantee that should the said bid be accepted by The Board, the bidder will, within ten (10) days after the time he is notified of the acceptance of the bid, enter into a contract with the City of Fort Wayne for the work bid upon and give bond with surety to be approved by The Board, insuring the faithful completion of the contract.

In case a bid is not accepted, the obligation of the said bond shall be null and void and the certified check will be returned to the bidder, as the case may be. In case a bid is accepted, and the bidder does not enter into a contract with the City of Fort Wayne for the work bid upon within ten (10) days after notification of award, then the obligation of the bond or the certified check shall be forfeited to the City of Fort Wayne for ascertained and/or liquidated damages for failure to enter into a contract. Provided that, the City's action in forfeiting the bond or retaining the certified check shall not preclude the City from taking any further action against the contractor to recover for all actual damage, the City has suffered.

10. Sworn Experience Questionnaire, Plan and Equipment Questionnaire and Contractor's Financial Statement (96A). Each bidder will submit with and as part of its bid: (a) A complete Form 96A under oath; or (b) Have a complete Form 96A on file with The Board which shall be less than one year old in which case the bidder can instead submit a Certificate in Lieu of Financial Statement.
